\*Jackson Elementary needs Kleenex, hand sanitizers, etc. The students could also use mentors. See **Pastor Randy** for details.

\***LIFT** is organizing a winter sock drive. White socks are best. Place socks in the laundry baskets in nursery hallway. They are also collecting gloves & toboggans.

\*We desperately need more teams to help with the Terrific Tuesdays ministry that feeds needy children a meal after school on Tuesdays. See **Jean Hall** for details.

\***CHANGE FOR CHILDREN:** Each year, churches in our conference give loose change to help children's ministries in the Holston Conference and in Africa. This change is then converted into grants that support new and existing ministries for needy children from birth to age 12. We have a green jug in the Narthex for loose change. Please consider giving to this ministry.
